SUMMARY

Web developer and technical implementer connecting websites, CRM lead intake, appointment scheduling, automated follow-up, and voice AI through ADGO Studios. Bring hands-on configuration, conversation testing, technical troubleshooting, and bilingual customer communication.

CORE SKILLS

Business systems: CRM implementation, contact pipelines, lead capture, scheduling, workflow automation
Technical: JavaScript, TypeScript, APIs, web forms, Next.js, Astro, Supabase, Vercel, Cloudflare
Supporting tools: GoHighLevel, ChatGPT, Claude, Meta Ads Manager, Higgsfield, ElevenLabs, HyperFrames

RELEVANT EXPERIENCE

ADGO Studios | Co-founder, Web Development & Digital Systems | 2026 - Present

- Implement CRM lead capture, contact records, consultation calendars, acknowledgments, and follow-up workflows; connect business websites and inquiry forms.
- Configure Luna AI phone reception with a business knowledge base, service-question handling, lead qualification, and appointment options. Develop call-handling logic and test responses.
- Handle client discovery, communication, integrations, and troubleshooting. Launch paid Meta advertising and deliver AI-assisted short-form creative.

SELECTED IMPLEMENTATION PROJECTS

Luna AI receptionist | Voice AI & appointment scheduling

Configured customer-facing phone reception around service questions, lead qualification, booking options, and human follow-up. Tested conversations against business information.

ADGO Studios & Aurora | CRM intake & customer workflows

Implemented website inquiry paths, contact management, booking options, and automated responses. Designed separate transactional and marketing SMS consent choices.

Web & creative delivery | Astro, Next.js, Cloudflare, AI production tools

Built client-facing websites and service pages, integrated business tools, and produced advertising assets that connect campaign messaging to customer contact paths.

ADDITIONAL PROFESSIONAL EXPERIENCE

The Home Depot | Hardware Sales Associate (part-time) | May 2025 - Present

Troubleshoot hardware, plumbing, and electrical product questions; explain options in English and Spanish.

Chatsworth Products Incorporated | Manufacturing Technician | Nov 2024 - May 2025

Assembled computer/network hardware cabinets; inspected components, repaired defects, and followed specifications.

Mosquito Squad | Pest Control Technician | May 2023 - Oct 2024

Delivered field services, maintained equipment and records, supported customers, and trained new hires.

Green Power Network: Solar Sales Canvasser | Feb - Apr 2023
City Private Security: Security Guard | Oct 2018 - Dec 2022
Food4Less: Customer Clerk | Oct 2017 - Apr 2020

EDUCATION & COMMUNITY

Granada Hills Charter High School | High school diploma, 2016
Sylmar Recreation Center | Volunteer | Jun 2013 - May 2016
