PROJECT & PROFESSIONAL EXPERIENCE

ADGO Studios | Co-founder, Web Development & Digital Systems | 2026 - Present

- Built business websites and lead-capture experiences, including an Astro/Cloudflare project for Aurora Pool & Spa.
- Configured CRM forms, scheduling, follow-up workflows, and Luna AI phone receptionist in GoHighLevel.
- Launched paid social advertising using Meta Ads Manager; created short-form videos with Higgsfield, ElevenLabs, and HyperFrames.

Independent Developer & Creative Producer

- Built application projects using Next.js and Supabase, including Raidio, Snapdex, and Jump Trainer. Created PSYCH!, an original fiction platform and released animated Episode 1.

The Home Depot | Hardware Sales Associate | 2025 - Present

- Help customers troubleshoot hardware, plumbing, and electrical product questions; communicate technical solutions in English and Spanish.

Chatsworth Products Inc. | Manufacturing Technician | Nov 2024 - Early 2025 (approx.)

- Assembled cabinets for computer/network hardware; measured, drilled, pressed and finished metal components to specification. Inspected units, repaired defects, and followed quality and safety procedures.

Mosquito Squad | Pest Control Technician | May 2023 - Oct 2024

- Delivered residential field services, maintained equipment and service records, supported customers, upsold services, and trained new hires.
